CV 07-2634 (JFB)(ARL)

LINDSAY, Magistrate Judge:

Before the court is the plaintiff's application seeking to strike his deposition transcript. The plaintiff's deposition was taken at Fishkill Correctional Facility on May 15, 2008. The plaintiff believes that he confused his answers because counsel for the defendant asked him questions about this action and a related action.¹ There is no need to have the entire deposition marked null and void. The plaintiff will receive a copy of the deposition transcript and should note any inaccuracies.
